The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AN APPROPRIATION ADJUSTMENT FOR GRANT FUNDS  
(ALL DISTRICTS) (4 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve an Appropriation Adjustment for the Sheriff's Department to allocate funds to address the unique equipment, training, planning, and exercise needs of large, high-threat urban areas (Attachment A).

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The United States Department of Homeland Security (DHS), Office for Domestic Preparedness (ODP), is providing supplemental financial assistance under the FY 2003 Urban Areas Security Initiative (FY03 UASI II), for five urban areas within California. The funds may be used for assessments and security strategies; equipment, training, planning, exercise, and operational needs; and the building of an enhanced and sustainable capacity to prevent, respond to, and recover from threats or acts of terrorism.

The State of California's Office of Homeland Security (OHS) has given the City of Long Beach (Long Beach UASI Working Group) authorization to administer this grant. The City has already applied for, and been awarded, the grant on behalf of the Long Beach Urban Area. Now that the grant has been awarded and jurisdictions approved for funding, these grants must obtain appropriation authority before beginning the purchasing process.

*A Tradition of Service*

### Implementation of Strategic Plan Goals

Access to these grant funds addresses the following County Strategic Plan goals:

- Goal No. 1: *Service Excellence*, Strategy 1 – Develop standards for user-friendly service by improving the ability of first responder agencies to deal with terrorism.
- Goal No. 2: *Workforce Excellence*, Strategy 2 – Create a positive workforce by providing needed equipment for first responders and by providing assistance to develop the tools necessary to respond to any emergency, including terrorism.
- Goal No. 4: *Fiscal Responsibility*, Strategy 2 – Invest in public infrastructure by providing grant funds for the purchase of needed equipment.
- Goal No. 5: *Children's and Families' Well-Being*, Strategy 3 – Engage departments in planning efforts towards achieving the five outcomes for children and families by enhancing their safety and survival.
- Goal No. 8: *Public Safety*, Strategy 2 – Identify essential equipment and necessary training for all County first responders by evaluating/assessing previous equipment purchases, and planning and exercising for the proper use of the equipment.

### FISCAL IMPACT/FINANCING

This grant is fully funded by ODP. There are no cost-share or matching fund requirements. Approval of the Appropriation Adjustment will increase the Sheriff's Department's 2004-05 Budget by \$200,000, and the Department will be reimbursed for that amount. This will increase spending in Services and Supplies by \$135,000, and in Fixed Assets by \$65,000. These funds will be utilized to purchase equipment for analysts and investigators assigned to the Terrorism Early Warning Group (TEW).

### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

ODP and OHS have provided the Long Beach Urban Area Working Group with specific guidelines for the administration and management of these grants. These guidelines detail the activities and expenditures that are allowable. The grant period is July 1, 2003, to June 30, 2005 (extended from December 31, 2004).
